What [Lesley M](#) likes about Friar Tuck's:

This is the best chippy I can remember being to in a long time on first night of our holiday. Beautifully battered fish and lovely chips. So good we might not cook all week! My son had a sausage supper and he said it was good. It's spotless and the staff were so nice. Thanks. [View all feedback](#). What [Tour27267672559](#) doesn't like about Friar Tuck's:

Called in for a supper and the chips were really hard and greasy, suspect they had been refried after sitting about for some time, certainly will not be returning as it made my partner sick overnight [View all feedback](#).
