What [Jip79](#) doesn't like about The Radnorshire Arms:

We were here with friends to try out their £9 main meal specials on Tuesday nights. The menu was quite limited, but the main meals had fairly large portions. We had some starters of fried whitebait and prawns on ciabatta, and for main course, we ordered fish chips and the chicken dish and the food was not bad. Overall it was a pleasant experience and service was good as well. [View all feedback](#).
