[User](#) likes about Gigi's:

on Wednesday, april to see a family meal excellent eating and very good service. the fact that this place was busy at a Wednesday night probably shows how good it is rated. we were never before, but hopefully back soon.

if they want a quiet meal, then this restaurant is not for them. I've been a couple of times and it's always the same thing with kids. Yesterday (Wednesday) two big children's parties. much loud. So I won't...a good restaurant for families with little children. [View all feedback](#).
