What [railway chap](#) likes about The Bell Inn Cawston: Nice traditional village local with friendly helpful staff and a real fire. Just what you need on a wet autumn day. I had a great roast pork dinner and it was great value at £11.95. Perfect crackling and also came with yummy apple sauce. Doesn't come much better than this! Good choice of puddings. Nice to see Bakewell tart and bread and butter pudding alongside the more usual sticky toffee. [View all feedback](#). What [smiley152015](#) doesn't like about The Bell Inn Cawston: Have been to the bell a few times and found the food to be quite nice though a bit hit and miss, a friendly welcome is not something you will get at the Bell unless you're a friend of the management!
