I absolutely loved this place. I actually went back two nights in order. they remembered me. I recommend to the bulgogi and the la galbi the delicate bark and beef short ribs. I wish we had this style of cooking in houston. my wife had the teriyaki steak plate and also really enjoyed it. [View all feedback](#). What [beabeabun](#) doesn't like about

Ginseng Korean Bbq Sheffield:

Wasn't good/ wasn't bad. Food was ok. Staff were fast at seating and taking food order but apart from that its so hard to get attention. We did the korean bbq. It was average. The toppoki (tteokboki) was a bit too sweet for my liking. [View all feedback](#).
