Here you can find the [menu](#) of *Dough* in Hambleton. At the moment, there are **18** meals and drinks on the food list. You can inquire about **changing offers** via phone. What [LamplighterYork](#) likes about Dough: Phoned through an order and was told it would be fresh baked and ready in 20 minutes and it was. Generous toppings; the newly introduced Crayfish Tail topped [pizza](#) was truly scrumptious. Friendly, helpful service and reasonable pricing. This was much better than the “chain” pizza restaurants. Pretty good all round. We'll be back. [View all feedback.](#)
