the baked are good. Although no prices were advertised, they were perhaps opposite the outside of the window, but there were people sitting there, so they could not see. the selection of cake is impressive, cream and everywhere. the portions are also large and I didn't really need two, the mille feuille crushes everywhere as it should and the cream terrace in the tarte was silky smooth. Maison Bertaux:

The waitress was completely uninterested and asked only after our drinks order 25 minutes after arrival! When we wanted to order our food, they said that the electrical equipment didn't work so that we can only have tapas!? The table next to us had a burned meal which was then heated in the microwave. Wine was okay. The waitress never came back to our main order, so we left after 45 minutes!!? [View all feedback](#).
