What [tized](#) likes about Eatalia: always go here when i'm in the area great coffee, fresh juices, pastries and sandwiches and really good value. Great prices. And the owner is such a lovely guy. Would highly recommend [View all feedback](#). What [Banders89](#) doesn't like about Eatalia:

Stopped by for takeaway the other day and the server kept asking if we wanted more. Then said we could have extra for half price so we took her up on it and paid by card, then we realised we were charged full price. I didn't know whether to say anything as the difference was so small but I politely flagged it and she took about 10 min to sort it and then gave the difference back in cash which I certainly didn't want!...
