What [User](#) likes about Tavistock Tandoori: this restaurant does not seem to be much from outside, but inside it is small and cozy I ordered a vegetarian curry with rice and a naan and I was not disappointed. the service was a little on the slow side; collect order, serve food and tend to tap water needs etc. so try to ask immediately with decision-making and not shy, twice (they do not bite). the wait of the dit was top, generously served and super affordable... [View all feedback](#). What [User](#) doesn't like about Tavistock Tandoori: I ordered veg pakora, chicken biriyani, baghare bhaigan and garlic nan. everything was bad. the taste was pathetic. I have eaten in many restaurants in Europe, and I would say that this is the worst food. although the cost is very low, the taste is very bad. [View all feedback](#).
