You can also contact them through their website. What [User](#) likes about Le Mont Blanc: too good, carbonara paste) I had never been to the rest of my life and as first experience I valid suuuuur, very family home I love, meals arrive very quickly and warm. a come-back [View all feedback](#). What [Laura Baudouin](#) doesn't like about Le Mont Blanc:

We're leaving the disappointed establishment. We ordered pancakes with a vanilla ice ball. A yellow ice whose taste was not identifiable and very chemical. We pointed out on several occasions, we were reproved that it was probably banana ice and that they made it home (big doubt seen the color but good ... , we had not even asked for this perfume... We didn't even get an apology... pity. [View all feedback](#).
