this is a small jewel in barking. excellent customer service, very generous portions for the price. the ambience and the size of the venue are very sufficient for the parties. eating was very tasty, a little too salty on some dressed, that is the ground for 4 stars otherwise it would be a 5th 1 minute away from barking station and bus stops. would definitely try different dishes again. Mixed [kebab](#) grill was nice but overpriced. The guy that served us was very friendly, a bit too friendly lol, and very animated. The lahmacun could have been better. The mocktail and house lemonade were nice. [View all feedback](#).
