tasty eating, good service (owner asked if I wanted a touch in him, marked as vegetarian on the menu, without the ice making it vegan, so ask), not expensive, near the center of the city, asking you for a doggybag if you can not eat everything. Ordered at 6:35, food didn't get till 8:25. The spring rollers were cold, one of the two dishes was good. The other way too spicy, $10 to get delivered, and then waiting for so long is really a no-go. I won't order anymore. View all feedback.
