What [Carole Martin](#) likes about Ali Spice: fast and courteous service in this tiny and intimate restaurant simply the best oxshen tail in the forest of waltham! I only loved the rich tomato taste! I also recommend the rice and the herb with curry goats the meat was cooked for perfection in a rich western Indian curry sauce, the rice and the herbs were a perfection of kokos and lime! I decided to allow another 10 just in case. On arrival nobody spoke to me for 10 minutes, eventually somebody did and around five minutes later the food arrived. When we got it home and served the food it was so heavily salted as to render it inedible. [View all feedback](#).
