Billed as not dog friendly but one table inside the building but outside the main cafe which we could use with our dog who was then given loads of attention and biscuits by one of the waitresses. We just had coffee but the ambience and the coffee was so good I suggested to hubby we came back for lunch. We ended up going into town instead but I think you'd get a great lunch here. Also top tip as dogs aren't allowed in... [View all feedback](#).
