First time ordering and I'm really impressed, food arrived within the hour. We had duck pancakes, ribs which were top quality and satay chicken. All really good cuts of meat and I'm fussy, all really nice flavours. Will be ordering again [View all feedback](#). What [Alejandra r](#) doesn't like about Mcchina Wok Away:

The worst customer service, the person who takes the orders has yelled at me just for asking why the price was so expensive! It's not the first time that he does that. I will never buy again from this shop! [View all feedback](#).
