Never been here before and booked it as close to where we were staying and what a lovely surprise! The food was superb and the wine (which was from Bodmin) was also excellent. Well served in a good atmosphere. [View all feedback](#). What [askpamandallan](#) doesn't like about Heskyn Mill:

..... and I wanted to give it five stars but couldn't service was very polite, we were seated on the first floor (by the old grinding machinery). Orders were promptly taken and delivered food was fresh and hot and generally very very good but .... two of our party of four had roast beef and both found it gristly which spoilt our overall impression. Deserts were very nice. TBH it felt just a little sunday lunch in a gastropub. Not what we were expecting.
