What [Marian1990](#) likes about Dolly's Diner: We came to Longfield to collect a truck and were pleased to find this cafe while we were waiting for the garage to open. We received great service from the friendly waitress and our bacon rolls were fresh and good value, nice strong mugs of tea too. [View all feedback](#). What [Jeremy Campbell](#) doesn't like about Dolly's Diner: Food was really good can't fault the chef but the service is a joke. Will literally ignore a waiting customer to flirt with someone, ignore the chef calling out for a meal that someone is waiting for while all the rest of there party are...eating (about to Go up and get it ourselves) and will have you wondering whether they are giving bad service on purpose. Do not recommend [View all feedback](#).
