I brought the family here for boxing day dinner. From the second you walk in, the staff are so welcoming and friendly. The place is immaculately clean. The staff friendly and polite and the food is amazing. We come here often and it's always excellent. Would definitely recommend. You won't be disappointed. Thank you so much for your hospitality. Where do i start, the main guy that takes orders is a joke, very unhelpful, no manners at all, the food was awful full stop, wouldn't eat in there again if was free for life, if you want a decent curry there are a million better places than this dump, don't bother unless you want to eat horrible food served by unhelpful staff, the end.
