Just off the Main Street, you find Jenny's coffee house. On entering this wee shop, you are spoilt for choice with their selection of baked goods on display as well as a menu to satisfy all tastes. Staff are very welcoming....in fact it feels like you've entered a friends kitchen. Well priced, tasty fare. Would visit again [View all feedback](#).

What [semanticvision](#) doesn't like about Jenny's Coffee House Bakery:

I walked passed by and see Illy coffee is the house brew and stopped by the next morning for my wake up cappuccino. Slightly disappointed that the barista made the foam piping hot a-la Starbucks style which would never happen in Italy. The cur was a little flimsy and spilled all over my rental car when the cap popped. Nice ambience with daily fresh baked good. [View all feedback](#).
