What [travelgrumpy](#) likes about Truly Scrummy: By accident passed by here, and decided to stop for coffee and cake. The place was buzzing and very busy. We ended up with a nice table on the side. Service was very friendly. We had coffee and scones, but many more cakes on offer. Tasted all fresh with cream, butter and jam on the side. We'll be back here for sure as it's not like the mainstreet coffee shops [View all feedback](#). What [Shebony246](#) doesn't like about Truly Scrummy: Found this place when having a walk around Horsforth and it looked lovely inside so thought we would give it a go and glad we did. Staff were very smiley and friendly and nothing was too much. The food was lovely too and my daughter had a smoothie which she said was ddlish. Will definitely return : [View all feedback](#).
