We dropped in to the pub for some food on our way home from a family day out. Whilst the menu selection was not extensive we still felt spoilt for choice (including vegetarian options) and a kids menu was also available. The service was excellent, and the wait for the freshly cooked food was well worth it – very tasty and well portioned.

Visited with family on Tuesday as many of the restaurants in town were closed. The pub was almost empty apart from a few locals. We ordered burgers, Mac'n'cheese and kids portion of f&c. What a nice surprise. Food was tasty, good size portions, lovely waitress. There is a small car park on the side of building. [View all feedback](#).
