Dinner at night, cozy and thoughtful. Dogs were welcome, small talk with owner. Cook came to see if everything was okay. A rapist, pressure, reservation. Outside more than inside. There could be a forgery show at noon. [View all feedback](#). What [User](#) doesn't like about Plumes Et Terroirs:

Heavy disappointment. Gives the impression you're a camping restaurant. The staff don't know the dishes. They also forgot three times what we asked for, mayonnaise, cheese at the spaghetti, to crown crowns at the main dish. They came when the meal was up. Apologies were not offered. The food itself was very sober. [View all feedback](#).
