A **comprehensive menu** of Opus from [Lillehammer](#) covering all 17 dishes and drinks can be found here on the food list. For **seasonal or weekly deals**, please get in touch via phone or use the contact details provided on the website. What [User](#) likes about Opus:

Nice staff, cozy interior, very good food, clean toilets. The only negative was the absence of English signs and food names (you would expect that on a main road in such a famous city. [View all feedback](#). What [User](#) doesn't like about Opus:

Large enough seating area so although it was quite busy seats were available both inside and on the street. Hot and cold food available both looking attractive. Expensive for Brits of course but this is Lillehammer and Norway so it's to be expected. Clean good service. [View all feedback](#).
