The fish and chips were among the best things I have ever eaten. The owner or manager was very friendly and helpful. Service was nonexistent by American standards, but that seemed to be normal for Iceland. [View all feedback](#). What [User](#) doesn't like about Grill Kebab:

Liked the kebab. Good filling . However, not happy with the way the owner responded when asked a glass of water . She was rude and declined . I was told that tap water is the best in Iceland and was advised by locals not to buy bottled water not this place, though! [View all feedback](#).
