Venue was great very Christmassy. Service was pretty poor and the food wasn't great. Filet steak was cold and very poor. Pork Sunday roast was good though. Very poor attention to detail from the waiting staff but the manager on duty was very good carried the staff actually. Wouldn't rush back I'm afraid Glasgow has a lot to offer. Unfortunately our booking was not registered in the system at blythwood luckily there was enough room for us. Have to say the price is a bit much for portion size and not much variety although we did enjoy our meal. [View all feedback](#).
