What [Patricia Ellis](#) likes about Pidgin: eating was absolutely amazing, next level very well joined together and would recommend 100% the tasting menu. small and cozy, and good place between tables. the personal was courteous and knew the menu well, very quiet and relaxed. the wine tasting was good, but a little expensive. [View all feedback](#). What [Ewald Haas](#) doesn't like about Pidgin: Music was unbelievably loud for such a small place, at the end it became really tiresome trying to have a chat at the table. No coffee or tea at the restaurant, which was quite surprising [View all feedback](#).
