My wife took me for a surprise birthday treat. Wow wow wow. The welcome was very warm our servers were knowledgeable and attentive. The tasting menu and matching wines were quite stunning. The portions were not huge as you would expect but you still left feeling very satisfied. Yes it's expensive. However its a treat. We will be back for sure. Highly recommended. Food was good (not the best) but service was extremely slow. Took mins for our wine to come. We ordered a bottle of water during our main course and arrived when we were half way through dessert. Quite stressful! [View all feedback](#).
