Here you can find the [menu of Arancina](#) in London. At the moment, there are **19** dishes and drinks on the card. You can inquire about *changing offers* via phone. What [Eva Allen](#) likes about Arancina: Ragu is rich in meat, with a nice spicy sauce and Some veggies. What Could Be Improved is the way THEY heat it up, INSTEAD of frying it When You order it, it's Warmed up in the micro wave so much less crispy. Maybe it's What should happen When you pay 2 for a (big) arancini in a cool place. [View all feedback](#).
