The Fox and Newt is a traditional Real Ale pub with its own microbrewery in the cellar. Originally built as the Rutland Hotel, it now serves as a solid real ale house with contemporary additions. We have grown to become an established pub with a great food menu, including lunchtime meals, pub classics like our own beer battered fish and chips, steaks, a popular grill menu, and our famous Safari Burgers featuring exotic meats such as Crocodile, Kobe, Kangaroo, and more. Additionally, we offer a live music venue hosting a variety of gig nights from Cabaret to Jazz to Punk. Our strong affiliation with Leeds CAMRA and our homebrewed beers 'The Burley Street Brewhouse' continue to flourish.
