Despite some mixed reviews, our experience at this restaurant was surprisingly positive. We enjoyed dishes such as fish and fries, ox cheek, and desserts with unusual combinations. The menu was limited, and the lack of real beer was disappointing for some. Small portions and greasy dishes were issues for some diners. However, the staff were friendly, and the food was perfect for others. The service had improved with a new manager, and the steak was greatly improved. Overall, the restaurant seems to be on an upward trajectory and is definitely worth a visit.
