The *menu of Horváth* from London includes **11** dishes. On average, **dishes or drinks on [the card](#)** cost about £17. The categories can be viewed on the menu below. The restaurant Horváth offers a unique culinary experience with a creative and flavorful menu that has left diners impressed. Some have praised the well-balanced and strong aromas of the dishes, along with perfectly matched drink pairings. However, there were some criticisms about the saltiness of certain dishes, pacing issues with the courses, and the quality of the glassware. Despite these criticisms, Sebastian Frank's kitchen has been commended for leaving patrons feeling satisfied and relaxed, with many expressing a desire to return for another unforgettable meal. While some reviewers question why the restaurant has not yet received a third Michelin star, others feel that there is room for improvement in certain aspects such as the use of materials and the wine selection. Overall, Horváth offers a dining experience that combines tradition with innovation, providing guests with a memorable evening of culinary delights.
